Honorable Lisa Jackson
Administrator
Environmental Protection Agency
Ariel Rios Building
1200 Pennsylvania Ave. NW
Washington, D.C. 20004

Dear Administrator Jackson:

My office has scheduled a conference call with Dr. John Cardarelli at 2:30 p.m. today. I understand that Dr. Cardarelli is a health physicist for the EPA's National Decontamination Team and assisted in preparing the EPA's report for the radiological survey conducted in my district January 18th and 19th of 2011. Despite multiple requests for a copy of said report, it has not been produced.

Dr. Cardarelli has expressed a willingness to speak with my office. Please advise if EPA takes the position that he is prohibited from discussing this issue with a Member of Congress.

Thank you for your attention.

Sincerely,

Dennis A. Ross
